NR1510   MARANTZ AV-RECEIVER

Slim Profile

Enjoy the most musical performance from a compact, slim chassis. At half the height of a traditional AV receiver, the Marantz NR1510 delivers the musical sound that's synonymous with Marantz.

Powerful 5-Channel Discrete Amplifier

Featuring a high-current discrete power amplifier section, enjoy elevated sound for movies and music with identical power on all five channels (50W per channel: 8-ohm, 20Hz – 20kHz, 0.08% THD, 2 Ch. Drive) with low-impedance drive capability for superb speaker control.

HEOS Built-in

Utilize HEOS Built-in multi-room streaming or AirPlay 2 technology to enjoy your favorite music in any room of your home for a wireless, whole-home audio experience. Play the same song in every room or select a different song in each connected room — the choice is yours.

Easy to Setup, Easy to Use

The NR1510 features a horizontal row of color-coded, premium loudspeaker terminals with a set of matching cable-labels supplied to ensure correct hook-up. The included Setup Assistant offers clear, graphical on-screen direction, and the Quick Start Guide ensures optimal setup for any configuration.

Latest HDMI Technology

Includes six HDMI inputs — with one HDMI input on the front panel for quick connection — each one supporting HDCP 2.3, 4K Ultra HD 60Hz video, 4:4:4 Pure Color sub-sampling, Dolby Vision, HLG, High Dynamic Range (HDR10) and 21:9 video, 3D and BT.2020 pass-through. eARC (Enhanced Audio Return Channel) supports the transmission of Dolby TrueHD and DTS-HD Master Audio from your TV apps with a single HDMI connection for the simplest setup.

Smart TV Connectivity

Easily control the receiver with your Smart TV remote via the HDMI CEC functionality associated with your Smart TV. Simply set "HDMI Control" to ON in your receiver, then set "Smart Menu" to ON to begin controlling the NR1510 with your TV remote. The Smart Menu home screen gives you quick access to source and surround mode selections, the AVR setup menu and four Smart Selects.
