## STARTING THE PROJECT MARCH 2021

With our extensive portfolio of models and options, a detailed pricelist is complex and hard to work with. Therefore we offer the service of generating detailed quotations based on specific configurations and your clients personal preferences.

Based on the information you provide, we can make some configuration drawings with for each a detailed quotation.

The following information is helpfull:

- room and screen sizes (CAD file in DWG format if available) ?
- model preference ?
- how may seating places ?
- seating configuration (single seats - row configuration - love seats) ?
- options to be added ?
